In compliance with its obligation to provide notification of extraordinary events under Act CXX of 2001 on the Capital Market (hereinafter: **Capital Market Act**), **ALTEO Energiaszolgáltató Nyilvánosan Működő Részvénytársaság** (registered office: H-1117 Budapest, Dombóvári út 25, company registration number: Cg.01-10-045985) (hereinafter: **Company** or **ALTEO**) hereby provides the following information.

The Company hereby informs its esteemed Investors that, in connection with the acquisition of ÉLTEX Kft., ALTEO has today submitted a warranty claim notice to the seller based on the relevant provisions of the quota sale and purchase agreement concluded in relation to the acquisition, alleging breaches of various contractual warranty undertakings. Should the seller dispute the warranty claims submitted, the Company intends to avail itself of all legal remedies available to enforce its claims.

In addition to the warranty claims already submitted, the Company is assessing the possibility of asserting further warranty claims against the seller within the applicable forfeiture period, still during the current year. Furthermore, discussions are ongoing between the parties, as well as with the auditor and advisory firm engaged in relation to the purchase price adjustment, regarding the implementation of the purchase price adjustment mechanism set out in the quota sale and purchase agreement. The purchase price adjustment procedure is not subject to any forfeiture deadline.

Furthermore, ALTEO has submitted a petition to the Public Oversight Authority for Auditors requesting the authority to investigate whether the professional activities of Controlex Könyv- és Adószakértő Kft. and Mr. Tibor László Ézsiás, statutory auditor and member of the Chamber of Hungarian Auditors, complied with the applicable legal requirements and auditing standards in connection with the audits of the annual financial statements of ALTEO Circular Kft. (formerly ÉLTEX Kereskedelmi és Fuvarozó Kft.) for the financial year 2024 and prior years.

The petition is based on circumstances identified by the Company during the audit of the 2025 financial year, as well as in the course of preparing its warranty claims and conducting the purchase price adjustment procedure. In light of these circumstances, the Company considers it justified that the competent authority examine whether the relevant auditing activities complied in all respects with the applicable professional standards and legal requirements.

The Company will continue to keep its Investors informed of any information relating to the ongoing matters that is required to be disclosed under applicable laws or is material from an investment decision-making perspective
