

Results of Equities Prime Market classification review

BSE Release - Budapest, September 29, 2017

The Budapest Stock Exchange Ltd. (hereinafter referred to as 'Exchange'), in accordance with the relevant sections of the Book Two of the General Terms of Service of the Budapest Stock Exchange Ltd. titled Regulations on Listing and Continued Trading (hereinafter referred to as 'Regulations'), has reviewed the share series listed on the Equities Prime Market.

The Exchange performed the review according to the principles set in the Regulations, on the basis of the trading volume and average capitalization figures between March 1, 2017 and August 31, 2017.

If a particular series of securities is listed in the Equities Prime Market for less than 2 years and fails to fulfil the terms hereof during two consecutive review periods, or a particular series of securities is listed in the Equities Prime Market for more than 2 years and fails to fulfil the terms hereof during three consecutive review periods, the Exchange shall automatically reclassify the series to the Equities Standard Market.

The results of the review are as follows:

Equities	New market classification	Market based on previous reviews		Indicators		Market
