

## Extraordinary Announcement of 4iG Plc.

about a joint venture company establishment

4iG Public Limited Company (“4iG”) hereby informs the participants of the capital market that on the 3<sup>rd</sup> of November, 2022 4iG and Rheinmetall AG (“Rheinmetall”) decided to establish an information technology joint venture company in Budapest under the name **Rheinmetall 4iG Digital Services Limited Liability Company** (hereinafter: “JV”). The parties agreed by signing the shareholders’ agreement that 4iG shall become the majority shareholder having 51% ownership and Rheinmetall will have 49% ownership. Once all conditions have been met for the establishment, the parties will arrange for the necessary steps to be taken for registration at the Court of Registration.

The JV will provide project and operational IT services to Rheinmetall's global subsidiaries in Hungary and worldwide. Based on business requirements and opportunities, the new joint venture plans to progressively expand the scope of its services for internal and external customers alike. The new joint venture benefits both parties: it reinforces Rheinmetall’s IT capabilities, while giving 4iG greater access to the global market for IT services.
